

MathXL[®] for School

Student Registration

Step 1:

Go to www.mathxlforschool.com.

Note: You will need an access code and Course ID provided by your teacher to register.

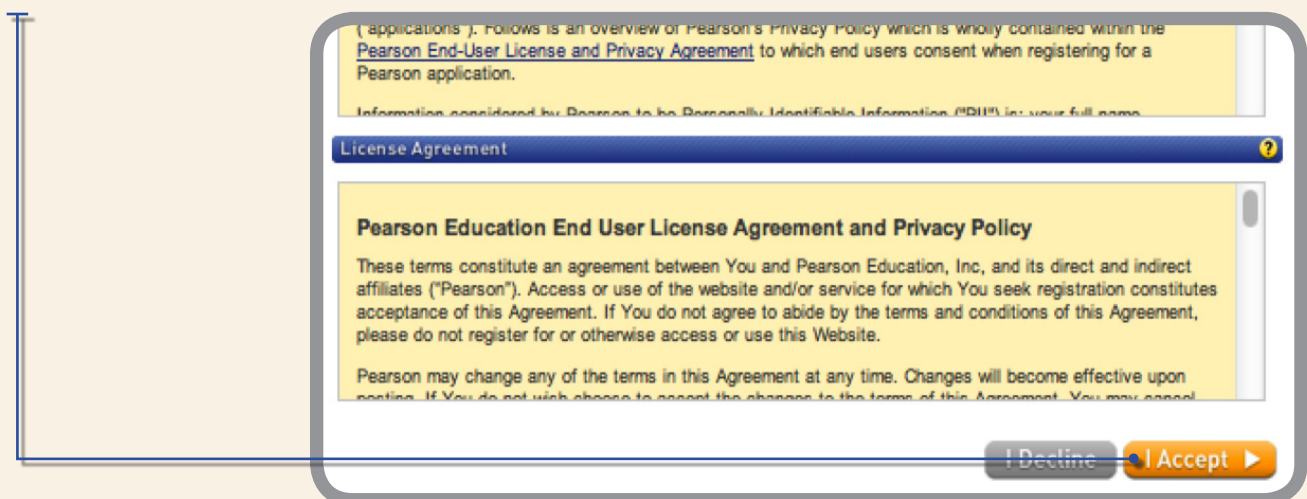

Step 2:

Under New Users choose Register.

Step 3:

Read and accept Pearson's License Agreement and Privacy Policy.

Step 4:

Creating your Pearson Account.

Do you have a Pearson Education Account?

Select:

No, if this is your first Pearson MathXL product.

You will be asked to create your user name and password.

Yes, if you are already registered for a Pearson MathXL product. You might already have a student account if you used a Free Trial. If so, use that account.

You will be asked to enter your existing user name and password.

Not Sure, the system will check for you.

Step 5:

Access Code. Once you created or entered your Pearson Account, you will need to enter your 6-part access code in the boxes provided, then select **Next**.

Do you have a Pearson Education account?

Yes

No

Not Sure

*** Create a Login Name**

Create a login name and password. Choose something that is easy to remember.

It is recommended that you use your email address. It must be at least four characters. [See acceptable characters.](#)

*** Create a Password**

Your password cannot be the same as your login name.

Create a password. It must be at least 8 characters with at least one letter and one number. [See acceptable characters.](#)

*** Re-type your Password**

Access Code

Enter your access code.

*** Access Code**

Example
SIMPLE-FRILL-TONLE-WEIRS-CHOIR-FLEES

[Switch to a single box for pasting your access code](#)

Cancel Next

Step 6:

Entering your profile.

Personal Information – It is recommended that you use your School Email address.

School Location – After entering your zip code a list of schools will appear. If you do not see your school listed here, select **OTHER** and manually enter your information.

When complete, select **Next**.

The screenshot shows a registration form titled "Personal Information". It includes the following fields and instructions:

- Title:** A dropdown menu with "Select a Title" as the current selection.
- *First Name** and ***Last Name:** Two text input fields.
- *Email Address:** A text input field with the instruction: "Enter a valid email address. See acceptable characters. Don't have an email address?"
- *Re-type Your Email Address:** A text input field for confirmation.
- School Location:** A section header for the next part of the form.
- *School Country:** A dropdown menu with "Select A Country" as the current selection.
- Security Question:** A section header with the instruction: "If you contact us, we will ask you this question to confirm your identity."

Step 7:

Select **Log In Now** to enroll in your teacher's course.

In the future, log in at www.mathxlforschool.com.

The screenshot shows the "Confirmation & Summary" page of the registration process. It includes the following elements:

- PEARSON** logo and "Steps to Register" progress bar with three steps: "Access Information", "Account Information", and "Confirmation & Summary".
- Confirmation & Summary** title and a "Print This Page" button.
- Text: "You have subscribed to a Pearson Education online product. Please [print this page](#) as your receipt. You will also receive a confirmation email for your records."
- Text: "You now have access to:"
- Logos for **MathXL** and **MathXL for School**.
- Text: "Your teacher has set up your course in only one of these sites. If you are unsure which website to log in to, refer to your registration instruction sheet or ask your teacher."
- A blue bar with the text "You now have access to..." and a question mark icon.
- MathXL for School** title and a "Log In Now" button.
- Text: "If you need to review or edit your account information, visit your [Account Summary](#) page."

Step 8:

Enter MathXL for School.

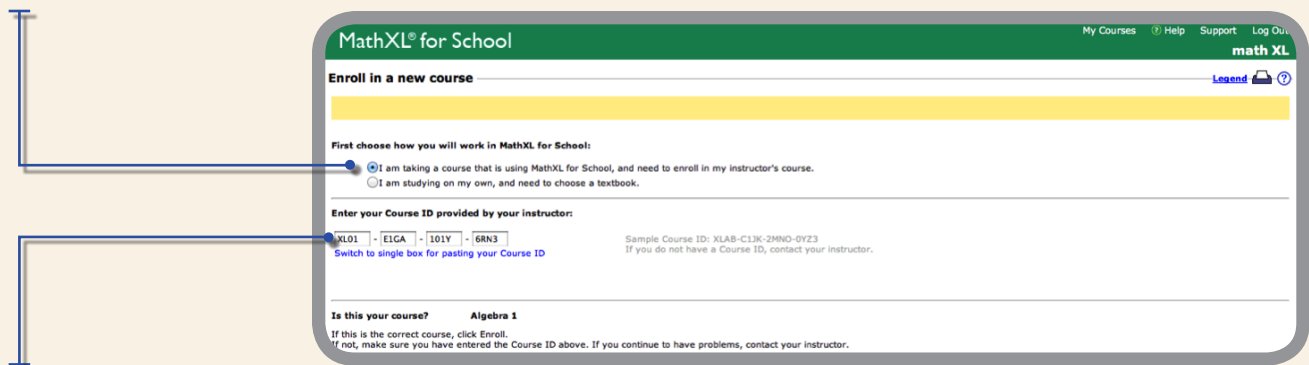

Enroll in Your Teacher's Course

You will need a course ID provided by your teacher to complete this step. A course ID is a four part code. *Example:XL09-90GT-700Y-9R00.*

Step 1:

Click the first option to enroll in your teacher's course.

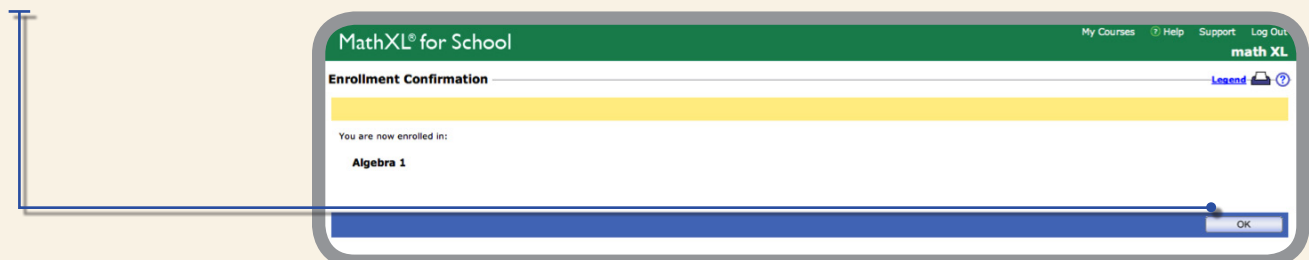

Step 2:

Enter your course ID. Confirm information is correct and select enroll.

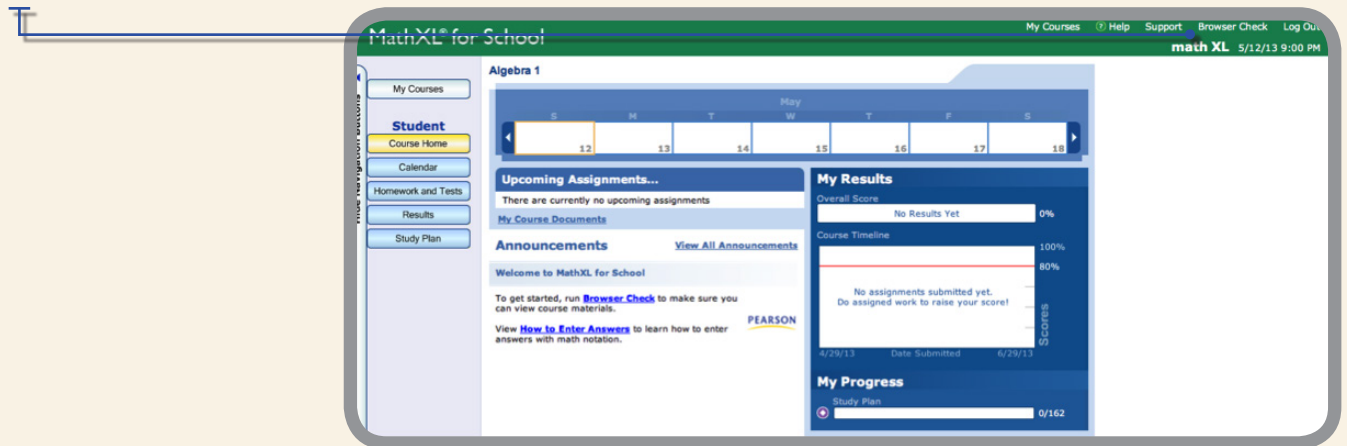

Step 3:

You will receive a confirmation of your enrollment in the course. Select OK in the lower right hand corner of the page.

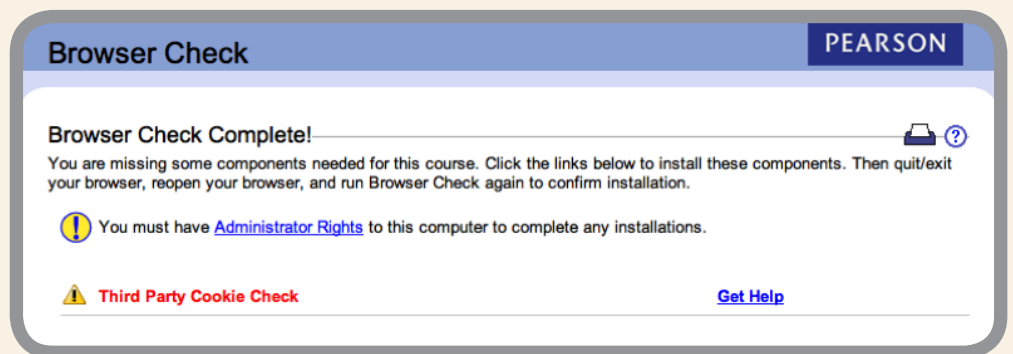

Step 4:

Before getting started, run the **Browser Check** by clicking the link on your student dashboard.

The Browser Check will run automatically and determine upgrades your computer might need. Once the Browser Check is complete, any software that you need to install or update will be indicated in red text. In this case, links to install or verify the software will be provided. If you need help, click Troubleshooting Topics then Done. Before proceeding to your MathXL for School course, close and restart your internet browser.

Your setup for MathXL for School is complete!

Login anytime at MathXLforSchool.com using the username and password you created during the registration process.
